Are you interested in doing research with a professor? ☐ Yes ☐ No

What is your major? _____

Please indicate if you will be a freshman or sophomore in this upcoming Fall semester, and confirm your Purdue GPA is a 3.0 or above if a returning student:

_____

For your application file:

1. Complete the above form.
2. Attach a 1-2 page written essay including: (single space, 12 point Times New Roman Font, 1 inch margins)
   a. Autobiographical information.
   b. A statement describing your scholarly and scientific interests and goals, how you would like to develop them at Purdue, and how they would benefit society.
   c. A description on your interest in attaining research experiences (this program is focused for those that have a strong interest in gaining research experiences with School of Health Sciences faculty). Please include if you are currently doing research with a faculty mentor in HSCI or other unit and if you have previously applied for any undergraduate research programs.
   d. A brief description of your extracurricular activities.
   e. A brief description of your participation in community activities.
   f. Other information that will help the committee evaluate your qualifications for undergraduate research in the School of Health Sciences.

E-mail the application form and essay to the Director, Dr. Matthew Scarpelli at mscarpel@purdue.edu by **June 15 for priority consideration**, but applications are accepted through August 1 or when the program is full.

Admittance into the program is selective and completed applications will be competitively reviewed. Decisions will begin to be announced mid-summer for enrollment in upcoming Fall semester seminar.
