HELP US LEARN ABOUT RETURNING TO WORK AFTER BRAIN INJURY

We are currently recruiting individuals for a study exploring barriers to employment in manufacturing environments for persons with traumatic brain injury (TBI).

To qualify for this study, you must:

- Adults 18 years old and older
- Willing to come to West Lafayette, IN for the study
- Have experienced a Traumatic Brain Injury (TBI)

What does participation involve?

- Two in-person study sessions lasting 2.5-3.5 hours each
- Answer questions about your language and cognitive abilities
- Complete lab-based simulations of common manufacturing tasks.
- Total participation time: up to 5-7 hours
- Compensation: \$20 per hour

Where does this study take place?

- Purdue University facility located 15 minutes north of campus
- Easy, free parking

Principal Investigator:

- Arianna LaCroix, PhD CCC-SLP
- IRB-2025-XXX Reducing Manufacturing Employment Barriers for Veterans with TBI aim 2
