

VITA

Date of Preparation:

April, 2022

NAME: Melissa M. Franks, PhD

EDUCATION:

B.S., Northern Kentucky University, 1988
(Psychology with honors; Mentor: G. D. Goedel)

M.A., Kent State University, 1990
(Social/Health Psychology; Mentor: M. A. P. Stephens)

Ph.D., Kent State University, 1993
(Social/Health Psychology; Mentor: M. A. P. Stephens)

TRAINING:

Postdoctoral Training, University of Michigan, 1993-1995
(NIA Postdoctoral Fellowship; Mentor: A. Regula Herzog)

FACULTY APPOINTMENTS:

2013 - Associate Professor, Department of Human Development and Family Studies, Purdue University
2007 - 2013 Assistant Professor, Department of Human Development and Family Studies, Purdue University
2006 – 2007 Assistant Research Scientist, Institute for Research on Women and Gender, The University of Michigan
1995 – 2006 Assistant Professor, Institute of Gerontology, Wayne State University (with joint appointments in Department of Psychology, Department of Family Medicine, and Communication and Behavioral Oncology, Karmanos Cancer Institute)

MAJOR PROFESSIONAL SOCIETIES:

Fellow Gerontological Society of America
Member National Council on Family Relations
American Psychological Association (Divisions 20 and 38)

HONORS AND AWARDS:

2011 Editorial Appreciation Award, *Health Psychology*
2011 Teaching for Tomorrow Award, Purdue University
2008 Hancock Faculty Fellow, Center for Families, Purdue University
2002 Invited to Participate in *Research Retreat on Health Dynamics in Old Age*, Spring 2002, Sponsored by University of Michigan's Claude Pepper Older Americans Independence Center (OAIC), Geriatric Center, Health and Retirement Survey, and Michigan Center of the Demography of Aging.
2000 Selected to Attend *Spring 2000 Conference on the Future of Health Psychology*, APA Division 38
1996 Selected to Attend Summer Institute on Aging Research, National Institute on Aging/Brookdale Foundation

- 1995 Selected to Attend Summer Training Institute, The Self and Society in Aging Processes, National Institute on Aging/Institute on Aging, University of Wisconsin-Madison
- 1994 Dissertation Award, Behavioral and Social Sciences Section of The Gerontological Society of America
- 1993 The 1993-94 Student Award for Graduate/Postdoctoral Completed Research, Division 20 of the American Psychological Association and the Retirement Research Foundation
- 1993 The David B. Smith Fellowship for Outstanding Scholarship and Research Potential , Kent State University
- 1992 Dissertation Research Award, American Psychological Association
- 1991 University Fellowship (Academic Year 1991-1992), Kent State University

RESEARCH AND TRAINING GRANTS:

Grants Completed:

- Co-Investigator.** “Stepping out: A pilot study of midlife couples paired walking.” American Nurses Foundation. E. Richards (PI). Period: 2018-2019. Total: \$5000.
- Co-Investigator.** “Stepping out: The impact of older couples’ walking behavior on gait speed.” Hancock Fellowship, Purdue University Center for Families. E. Richards (PI). Period: 2018-2019. Total: \$10,000.
- Co-Investigator.** “Walking for Our Health: A couple-focused approach to promoting physical activity.” Kinley Trust Award, Purdue University. E. Richards (PI). Period: 05/01/2016- 04/30/2017. Total: \$19,998.
- Investigator.** “Changing family roles across the deployment cycle.” US Dept. of Defense, MacDermid Wadsworth (PI). Period: 2014-2018.
- Principal Investigator.** “Transition from Hospital Care: Management of Type 2 Diabetes.” Regenstrief Center for Healthcare Engineering, Purdue University. April 2012 to March 2013; Total: \$62,173.
- Principal Investigator.** “Emerging research on families and health.” NIH/NICHD (R13 HD066959). September, 2010 to August, 2013; Total: \$18,000 (NIH) matched by Center for Families, Purdue University.
- Principal Investigator.** “Following doctor’s orders: Does patient and spouse communication with healthcare providers improve dietary adherence among patients with diabetes?” Regenstrief Center for Healthcare Engineering, Purdue University. Period: 07/2009- 07/2010. Total: \$39,906.
- Training Faculty.** “Interdisciplinary research on aging and the life course.” National Institute on Aging (T32 AG025671-01A2). Principal Investigator: K. Ferraro, Ph.D. Period (5/2009 – 5/2011).
- Co-Investigator.** The role of social relationships and self-efficacy in diabetes management. National Institute of Diabetes and Digestive and Kidney Diseases (R21 DK078894-01). Wray, L. A. (PI). Period 09/2008 – 06/2010.
- Principal Investigator.** “Correspondence in daily diet quality of patients with diabetes and their spouses.” Purdue Research Foundation, Indiana CTSI, and Center for Families, Purdue University. Period: 08/2008-08/2009.
- Principal Investigator.** “I’ll have what she’s having: Similarity in health behaviors of married partners.” Kinley Trust Award, Purdue University. Period: 07/2008- 07/2009. Total: \$19,805.
- Co-Investigator.** “Mind-body interactions in management of type 2 diabetes.” National Institute on Aging (R01 AG024833-01). Mary Ann Parris Stephens (PI). Period: 09/30/04 – 07/31/09. Total: \$1,659,121.

Co-Investigator. “Biopsychosocial processes and treatment decision making.” National Cancer Institute (R21CA113220-01). Terrance L. Albrecht (PI) and John C. Ruckdeschel (Co-I). Period (09/27/04 – 09/29/06)
Total: \$226,500

Investigator. “Psychosocial and community core.” National Institutes of Health Centers for Population Health and Health Disparities. Janet Hankin, Ph.D.(PI for Core). Funded with Center for African American Urban Health (P50 ES012395-01). Center PI: John Flack, M.D. Period (9/18/03 – 9/17/08). Total (for the Center): \$5,946,924.

Co-Investigator. “A dyad intervention for cardiac rehabilitation patients (R01).” National Institutes of Health Centers for Population Health and Health Disparities. Principal Investigator: Nancy Artinian. Funded with Center for African American Urban Health (P50 ES012395-01). Center PI: John Flack, M.D. Total (for the Center): \$5,946,924. Period (9/18/03 – 9/17/08). Change in initial role as Principal Investigator.

Training Faculty. “Wayne State University Postdoctoral Research Training in Aging & Urban Health.” Agency for Healthcare Research and Quality. Principal Investigator: Peter A. Lichtenberg, Ph.D. Period (8/2003 – 8/2008).

Investigator. “Geriatric Center of Michigan.” US Department of Health and Human Services, Geriatrics Branch. Principal Investigator: Larry Lawhorne, MD, Michigan State University. (Period 7/2001 – 7/2006).

Training Faculty. “Wayne State University Pre-Doctoral Research Training in Aging & Urban Health.” National Institute on Aging. Principal Investigator: Peter A. Lichtenberg, Ph.D. Period (5/2001 – 5/2006).

Co-Investigator. “Spouse involvement in cardiac patients’ behavior change.” Agency for Healthcare Research and Quality (R03 HS11263-01). Tantina B. Hong, M. A. (PI). Total: \$31,016. Period (9/30/00 – 9/29/01).

Principal Investigator. “Spousal influence on patient health behavior.” University Research Award Program. Total: \$5544. Period (5/1/99-4/30/00).

Principal Investigator. “Spousal influence on patient health behavior: A pilot project.” WSU Targets of Opportunity Program. Co-Investigators: Nancy T. Artinian, Ph.D. and Steven Keteyian, Ph.D. Total: \$20,000. Period (7/99-8/01).

Investigator. “Fluid reasoning training for urban elders.” National Institute on Aging. M. Marsiske, Ph.D (PI). Period: 1/1/97-12/31/01. Total: \$2,265,434.

Principal Investigator. “Minority Supplement: Reciprocity, family long-term care, and elder well-being.” National Institute on Aging. Total: \$94,749. Period: 1/1/97-8/31/99.

Co-Investigator. “Reciprocity, family long-term care, and elder well-being.” National Institute on Aging (1R01AG13228). J. W. Dwyer, Ph.D. (PI). Total: \$557,187. Period: 8/31/96-8/31/01.

International Association for Relationship Research 2021 Virtual Conference.

Richards, E., **Franks, M. M.**, Christ, S. L., Teas, E., & Rietdyk, S. (2020, October). Concordance in objectively measured physical activity behavior and sedentary behavior between partners. Paper (virtual) presented at the Annual Meeting of the American Public Health Association.

McCall, C., **Franks, M. M.**, Taylor, Z., Topp, D., & Wadsworth, S. M. (2019, November). Couple communication and role negotiation during a period of stress and transition. Paper presented at the 81st Annual Conference of the National Council on Family Relations, Fort Worth, TX.

- Bogges, S., Rook, K. S., **Franks, M. M.**, & Stephens, M. A. P. (2019, August). Correlates of motivation to manage type 2 diabetes in later life. Presented at the Annual Meeting of the American Psychological Association, Chicago, IL.
- Cho, H., Forster, A., Hatala, S., Ochoa, M., Christ, S., **Franks, M. M.**, Richards, E., & Rietdyk, S. (2019, July). Walking speed choices among married couples: Middle-aged and older adults walk slower when walking with their partner. Presented at the International Society of Posture & Gait Research World Congress, Edinburgh, Scotland.
- Richards, E., **Franks, M. M.**, Christ, S. L., Forster, A., & McDonough, M. (2019, June). Concordance in objectively measured physical activity between older spouses. Paper presented at the International Society of Behavioral Nutrition and Physical Activity, Prague, Czech Republic.
- Franks, M. M.**, Thomas, P. A. Rector, J., & Friedman, E. M., (2018, November). His and hers: Health benefits of marriage in the context of multimorbidity. In A. Jasper & M. Gilligan (Organizers) Romantic relationships and well-being in later life. Symposium presented at the Annual Scientific Meeting of the Gerontological Society of America, Boston, MA.
- Friedman, E. M., **Franks, M. M.**, Rector, J., & Thomas, P. A. (2018, November). Multimorbidity, disability, and mortality: Moderation by positive relations with others. Poster presented at the Annual Scientific Meeting of the Gerontological Society of America, Boston, MA.
- Marini, C. M., Wadsworth, S. M., **Franks, M. M.**, Wilson, S. R., & Christ, S. L. (2017, November). Depressive symptomology and partner-directed coping in the context of deployment. Poster presented at the 79th Annual Conference of the National Council on Family Relations, Orlando, FL.
- McDonough, M.H., Richards, E.A., **Franks, M.M.**, Christ, S., and Marshall, M. (2017, October). *Spousal attempts to support activity through pressure and persuasion associated with declines in physical activity in a walking intervention with older adult couples*. Canadian Society for Psychomotor Learning and Sport Psychology conference, St. John's, NL.
- August, K., **Franks, M. M.**, Westley, K., Rook, K. S., & Stephens, M. A. P. (2017, July). Following your lead: Patients' diet adherence, spouse awareness and involvement in managing diabetes. In J. Yorgason (Organizer), Dyadic associations in later life: Exploring the interdependent nature of health and marriage. Symposium presented at the 21st IAGG World Congress of Gerontology and Geriatrics. San Francisco, CA.
- Seidel, A., Marshall, M., **Franks, M. M.**, Oates, S. (2017, July). He said, she said: Supportive interactions among married couples during diabetes appointments. In J. Yorgason (Organizer), Dyadic associations in later life: Exploring the interdependent nature of health and marriage. Symposium presented at the 21st IAGG World Congress of Gerontology and Geriatrics. San Francisco, CA.
- Marshall, M., **Franks, M. M.**, Richards, E., McDonough, M., & Christ, S. (2017, July). Walking for our health: Married partners' collaboration and physical activity. Poster presented at the 21st IAGG World Congress of Gerontology and Geriatrics. San Francisco, CA.
- Richards, E., **Franks, M. M.**, McDonough, M., & Christ, S. (2017, April). Walking for our health: A randomized spousal physical activity intervention. Poster presented at the Midwest Nursing Research Society Annual Conference. Minneapolis, MN.
- Friedman, E. M., **Franks, M. M.**, Thomas, P., Gotschall K., & Moench, K. (2016, November). Multiple chronic conditions and healthy aging Part 1: Main effects on mortality and disability. In Friedman, E. M., & **Franks, M. M.** (Organizers), Enjoying the journey: Positive psychosocial functioning as a path to healthy aging. Symposium presented at the Annual Scientific Meeting of the Gerontological Society of America, New Orleans, LA.
- Franks, M. M.**, Friedman, E. M., Thomas, P., Gotschall K., & Moench, K. (2016, November). Multiple chronic conditions and healthy aging, Part 2: Moderating effects of psychosocial resources. In Friedman, E. M., & **Franks, M. M.** (Organizers), Enjoying the journey: Positive psychosocial functioning as a path to healthy aging. Symposium presented at the Annual Scientific Meeting of the Gerontological Society of America, New Orleans, LA.

- Marini, C. M., **Franks, M. M.**, Wadsworth, S. M. (2016, November). Conflict engagement post deployment: Understanding and perceived similarity. Poster presented at the 78th Annual Conference of the National Council on Family Relations, Minneapolis, MN.
- Richards, E. A., **Franks, M. M.**, McDonough, M. H., *Porter, K.*, & *Marshall, M.* (2016, October). Role of spouses in physical activity promotion: A systematic review. Presentation at the American Public Health Association Annual Meeting, Denver, CO.
- Marini, C. M.*, **Franks, M. M.**, Friedman, E. M., Nowakowski, A., & Wehrspann, E. (2015, November). Multiple chronic conditions and health: The moderating role of spouse emotional support. Poster presented at the Annual Scientific Meeting of the Gerontological Society of America, Orlando, FL.
- Friedman, E. M., Wehrspann, E., Plewniak, K., Knapik, S., *Fuzzell, L.*, *Marini, C. M.*, & **Franks, M. M.** (2015, November). Multiple chronic medical conditions are associated with autonomic dysregulation. Poster presented at the annual meeting of the Gerontological Society of America, Orlando, FL.
- Hemphill, R., Martire, L. M., Stephens, M. A. P., Rook, K. S., & **Franks, M. M.** (2015, November). Daily marital quality and illness management among older adults with diabetes or osteoarthritis. Paper presented at the Annual Scientific Meeting of the Gerontological Society of America, Orlando, FL.
- Wilson, S. R., *Marini, C. M.*, **Franks, M. M.**, Topp, D., & Wadsworth, S. M. (2015, November). Military partners' communication activities and feelings of connection with service members during deployment: A daily diary study. In C. Balderrama-Durbin (Organizer), *Communication from the war zone: Understanding the impact of intimate partner communication during deployment for military service members and their partners*. Symposium presented at the 49th Annual Convention of the Association for Behavioral and Cognitive Therapies, Chicago, IL.
- Marini, C.*, Wadsworth, S. M., Christ, S., & **Franks, M. M.** (2015, November). Service member and partner coping strategies during reintegration. Poster presented at the 77th Annual Conference of the National Council on Family Relations, Vancouver, British Columbia, Canada.
- Borges-Garcia, R.*, Rook, K. S., Stephens, M. A. P., & **Franks, M. M.** (2015, April). Invisible versus visible social support and social control in the context of chronic illness. Poster presented at the 36th Annual Meeting of the Society for Behavioral Medicine, San Antonio, Texas.
- Jenkins, B. N.*, Rook, K. S., Stephens, M. A. P., & **Franks, M. M.** (2015, February). Dietary adherence in type 2 diabetes mellitus patients: Applying the strength model of self-control. Poster presented at the 16th Annual Convention of the Society for Personality and Social Psychology, Long Beach, CA.
- August, K. J., Rook, K. S., Choi, S., **Franks, M. M.**, & Stephens, M. A. P. (2015, February). Spousal support, stress reactivity and glycemic control among patients with type 2 diabetes. Poster presented at the 16th Annual Convention of the Society for Personality and Social Psychology, Long Beach, CA.
- Friedman, E., *Marini, C.*, Milliner, C., Nowakowski, A., *Wehrspann, E.*, & **Franks, M. M.** (2014, November). Chronic conditions are associated with lower circulating levels of DHEA-S: Buffering by social support. Poster presented at the Annual Scientific Meeting of the Gerontological Society of America, Washington, DC.
- Marshall, M.*, *Briggs, J. G.*, *Fuzzell, L.*, Oates, S., **Franks, M. M.**, & Shields, C. (2014, November). Gender differences in spouse involvement during diabetes medical encounters. Poster presented at the Annual Scientific Meeting of the Gerontological Society of America, Washington, DC.
- Briggs, J. G.*, *Seidel, A. J.*, Plewniak, K., Welch, A., Kite, A., & **Franks, M. M.** (2013, November). Consistencies in spouse support across medical and in-home contexts. Paper presented at the annual conference of National Council on Family Relations, San Antonio, TX.
- Seidel, A. J.*, **Franks, M. M.**, Shields, C. G., *Finley, M. A.*, & Oates, S. K. (2013, November). Indicators of spouse attendance for chronic illness patients. In J. M. Berge, (Chair), *Family well-being across the lifespan: Disability,*

obesity, diabetes, sleep quality. Symposium conducted at Annual Conference of National Council on Family Relations, San Antonio, TX.

Wray, L., **Franks, M. M.**, Chiu, C., & LaCoe, C. (2013, November). Social relationships, self-efficacy and diet-related outcomes in adults living with diabetes. In L. Wray (Organizer), Type 2 diabetes management in middle-aged and older adults: The role of psychosocial factors by key sociodemographic characteristics. Symposium presented at the Annual Scientific Meeting of the Gerontological Society of America, New Orleans, LA.

Schap, T. E., Franks, M. M., Boushey, C. J. (2012, April). Comparison of cooperation between image capture and digital recording of evening meals among adults. Paper presented at Experimental Biology Conference, San Diego, CA. (abstract published in *The FASEB Journal*. 2012;26:131.5.)

Schap, T. E., Seidel, A. J., Franks, M. M., Boushey, C. J. (2012, March). *Evaluation of evening meal recall and digital recording accuracy among adults*. Poster presented at the 36th National Nutrient Databank Conference, Houston, TX.

Khan, C. M., Stephens, M. A. P., Franks, M. M., Rook, K. S., & Salem, J. K. (2011, November). *Spouses' daily support and control of diabetes management: Are the 2 better than 1?* Poster presented at the Annual Meeting of the Gerontological Society of America, Boston, MA.

Hemphill, R. C., Franks, M. M., Seidel, A. J., Stephens, M. A. P., & Rook, K. S. (2011, November). *Dietary management and emotional distress among couples coping with type 2 diabetes*. Poster presented at the Annual Meeting of the Gerontological Society of America, Boston, MA.

Hemphill, R. C., Stephens, M. A. P., Franks, M. M., Rook, K. S., & Salem, J. K. (2011, August). Adhering to a diabetic diet over time: Do individuals follow different trajectories? Poster presented at the 119th Annual Convention of the American Psychological Association, Washington, DC.

Wray, L. A., **Franks, M. M.**, Chiu, C., & LaCoe, C. L. (2010, November). Social relationships, self-efficacy and diet-related outcomes in adults living with diabetes. Poster presentation at the 63rd Annual Meeting of the Gerontological Society of America, New Orleans, LA.

Franks, M. M., & Iida, M. (2010, November). Spouses' daily support and control and patients' daily dietary adherence and diabetes anxiety. In K. August & M. A. P. Stephens (Organizers), Social support, social control, and disease management in later life. Presentation at the 63rd Annual Meeting of the Gerontological Society of America, New Orleans, LA.

Yorgason, J. B., **Franks, M. M.**, Iida, M., *Hemphill, R.*, Stephens, M. A. P., & Rook, K. S. (2010, November). Management of diabetes in later life couples: Using dyadic data from multiple "bursts" or waves of daily diaries to explore change across time. In J. M. Berge (Chair), *Innovative Methodology in Family Health Research*. Symposium conducted at the National Council on Family Relations, Minneapolis, MN.

Seidel, A. J., Smith, E. L., Franks, M. M., Schap, T. E., & Boushey, C. J. (2010, November). Spousal influence on partner's dietary choices for diabetes management. In J. M. Berge (Chair), *Innovative Methodology in Family Health Research*. Symposium conducted at the National Council on Family Relations, Minneapolis, MN.

Shields, C. G., **Franks, M. M.**, & Boushey, C. J. (2010, October). Spouse participation in encounters of patients with type II diabetes and patient adherence" Research and Teaching Forum of the American Academy on Communication in Healthcare, Scottsdale, AZ.

Franks, M. M. (2010, August). Discussant. In R. Pruchno (organizer). When it doesn't go as planned: Surviving academic challenges. Presentation at the 118th Annual Meeting of American Psychological Association, San Diego, CA.

- Iida, M., Stephens, M. A. P., **Franks, M. M.**, Rook, K. S., & Salem, J. K. (2010, July). A dyadic diary study of older married couples managing type II diabetes: Spouses' involvement and relationship quality. Presentation at the International Association for Relationship Research Conference, Herzliya, Israel.
- Iida, M., Stephens, M. A. P., **Franks, M. M.**, Rook, K. S., & Salem, J. K. (2010, February). Effects of spouses' involvement on daily relationship evaluations: The case of type 2 diabetes. Presentation at the Society for Personality and Social Psychology Annual Meeting, Las Vegas, Nevada.
- Hemphill, R. C.*, Stephens, M. A. P., **Franks, M. M.**, Rook, K. S., Iida, M., & Salem, J. K. (2009, November). Spouses' perceptions of diabetes and involvement in patients' disease management. In **M. M. Franks** (Chair), *Social indicators of disease risk and disease management in late life*. Paper presentation at the Annual meeting of the Gerontological Society of America, Atlanta, GA.
- Seidel, A. J.*, **Franks, M. M.**, Stephens, M. A. P., & Rook, K. S. (2009, November). Dyadic appraisals of spouse involvement and diabetes management in later life couples. In **M. M. Franks** (Chair), *Social indicators of disease risk and disease management in late life*. Symposium conducted at the Gerontological Society of America Conference, Atlanta, GA.
- Hemphill, R. C.*, Iida, M., Stephens, M. A. P., Rook, K. S., **Franks, M. M.**, & Salem, J. K. (2009, August). Reactions to spousal control by male and female diabetic patients. Poster presented at the Annual Convention of the American Psychological Association, Toronto, ON, Canada.
- Khan, C. M.*, Mickelson, K. D., Stephens, M. A. P., **Franks, M. M.**, Rook, K. S., & Salem, J. K. (August, 2009). Diabetes-related anxiety: Implications for spouses' involvement in patients' diabetes management. Poster presented at the Annual Meeting of the American Psychological Association, Toronto, ON, Canada.
- Stephens, M. A. P., Iida, M., Rook, K. S., **Franks, M. M.**, & Salem, J. K. (November, 2008). He Does Well With a Little Help from His Wife: Spousal Support and Management of Type 2 Diabetes. In D. Carr (organizer), *In Sickness and in Health: New Perspectives on Marriage and Late-Life Health*. Presented at the 61st Annual Meeting of the Gerontological Society of America, Washington DC.
- Khan, C. M., Iida M., Stephens, M. A. P., **Franks, M. M.**, Rook, K. S., & Salem, J. K. (November, 2008). We Can Work it Out: Spouses' Involvement in Type 2 Diabetes Patients' Exercise Regimen. In L. A. Wray & M. M. Franks (organizers), *The Practice Implications of Type 2 Diabetes in an Aging Society*. Presented at the 61st Annual Meeting of the Gerontological Society of America, Washington DC.
- August, K. J.*, Rook, K. S., Stephens, M. A. P., & **Franks, M. M.** (August, 2008).. Spouse Burden is Associated with Exerting Health-Related Social Control.. In K. August & M. Okun (organizers), *Understanding How Social Relationships Affect Health—The Social Control Process*. Presented at the 116th Annual Convention of the American Psychological Association, Boston, MA.
- Stephens, M. A. P., Rook, K. S., **Franks, M. M.**, *Khan, C. M.*, *Geaghan, T. R.*, & Salem, J. K. (August, 2008). Diabetic Patients' Resistance to Spouses' Attempts to Control Dietary Choices. In K. August & M. Okun (organizers), *Understanding How Social Relationships Affect Health—The Social Control Process*. Presented at the 116th Annual Convention of the American Psychological Association, Boston, MA.
- Iida, M., Stephens, M. A. P., **Franks, M. M.**, Rook, K. S., & Salem, J. K. (July, 2008). Determinants of support provision from spouses of Type 2 diabetic patients. In G. Stadler (organizer), *How relationships influence health: From large scale epidemiology to daily process research to interventions*. Symposium presentation at the International Congress of Psychology, Berlin, Germany.
- Franks, M. M.** (November, 2007). Discussant. In L. A. Wray (organizer), *Management of Type 2 diabetes across the adult lifespan*. Symposium presented at the 60th Annual Meeting of the Gerontological Society of America, San Francisco, CA.

- Franks, M. M.**, Pienta, A., Schwartz, S., Tkatch, R. Artinian, N. Abrams, J., Keteyian, S., Martire, L., & Franklin, B. (November, 2007). Exchanges of health-related support between urban African-American patients participating in cardiac rehabilitation and their support partner. In R. Pruchno (organizer), Caregiving dyads coping with chronic illness. Symposium presented at the 60th Annual Meeting of the Gerontological Society of America, San Francisco, CA.
