Presentations

- Dye, D.K. (2020). A preoperative bathing protocol for veterans experiencing surgical intervention: A quality improvement project to reduce surgical site infections. (This is a system-wide review and implementation of a standardized preoperative bathing protocol for the Roudebush VA Medical Center, Indianapolis, IN. Manuscript under development of the quality improvement project for potential publication in AORN.)
- Dye, D.K. (2020). Integrative nursing and therapies for mulberry health and rehabilitation center. (This was a system-wide review of the nursing facility and recommendations for implementing an integrative nursing program. The document included Integrative nursing principles across the facility education, policy, and procedures on aromatherapy with essential oils, guided imagery, and massage with M technique hand and foot massage; documentation changes for the electronic medical record; CARE channel programming with quote; guided imagery and mindfulness meditation scripts; affirmations; and breathing exercises.)
- Dye, D.K. (2019). Goal setting for veterans. (This is to complete the Pain Neuroscience Education (PNE+) course offerings for veterans in the VA Integrated Pain Clinic, Roudebush VA, Indianapolis, IN.

- Dye, D.K. (2019). Aromatherapy training with M technique hand massage. (This course was implemented into the Relias educational learning platform for staff training at The Waters Senior Living Facility, Minnetonka, MN. Educational materials included a voiced-over presentation, competency checklist, post-education test, and course evaluation form.)
- Dye, D.K. (2019). Wellness cart resource manual. (Developed the resource manual and training, which included policy and procedures, guidelines, protocols, and other resources for the wellness carts. The wellness cart contained aromatherapy with essential oils and diffusers, a sound machine, guided imagery scripts, CDs, massage, weighted blankets, battery-operated candles, and herbal teas.)
- Society of Simulation in Healthcare, ISMH Conference, Making the Mission Possible: IPE: How to Avoid Self-Destruction with Effective Planning with Amy Nagle, Zach Weber, Julianne Stout, Mary Ajuwon, Deborah Dye, and Benji Milanowski, *January 2018*
