School of Nursing

Director, PhD in Nursing Program: 2014 – May 2020

Through collaborations with the School of Nursing leadership and faculty, as well as internal and external stakeholders and key personnel, developed the Nursing PhD program, one of only two in the State of Indiana. Created, organized, and led faculty work groups who prepared documents and course outlines for review. The course syllabi and the program were ultimately approved by the Dean of the College of Health and Human Sciences, the Graduate School, the Graduate Council, the Provost and President, the Board of Trustees, and ultimately the Indiana Commission for Higher Education. Led recruitment, marketing, and branding efforts in preparation for program launch in fall 2017.

Division Director: 2010 to 2012

Created faculty development plan, including speakers on faculty observation and faculty expertise presentations; participated in the School of Nursing leadership team meetings; advocated for faculty needs/interests.

Service Learning

Engaged in Service Learning through NUR 404: Nursing Leadership: Fall 2008 to 2014. In Spring 2010, 2011, 2012 & 2013, co-coordinated *Purdue-cing Healthy Boilers* health fair sponsored by the School of Nursing as part of the Purdue University Spring Fest.
