

## College of Health and Human Sciences Early Career Research Achievement Award

**Eligibility:** Tenure-track faculty, who are 1) assistant professors or 2) associate professors who are no more than 2 years in rank at the time of nomination. The nominee must have been on faculty at Purdue for at least two years prior to nomination. A faculty member can only be recognized for this award once.

**Criteria:** The College of Health and Human Sciences is recognizing research that goes beyond the candidate's dissertation and demonstrates clear scientific/scholarly contributions as a result of work completed while a Purdue faculty member. Candidates should have demonstrated impact on their field and national recognition for their work.

**Nomination:** Any tenured associate or full professor can nominate. The unit head must endorse the nomination, and each unit can nominate only one individual. The nomination must include:

- Cover page (template on the second page)
- Letter of nomination
- Two representative publications
- Shortened CV (5 pages maximum)
- Letter of support from one external reference (not in your unit, but can be from campus)
- A one-paragraph description or a website link with the credentials of the external reviewer

**Deadline:** One nomination per unit is due electronically as one PDF through Qualtrics at [https://HHS Fellowship\\_Award Submissions](https://HHS_Fellowship_Award_Submissions) by **5:00 p.m. on January 21, 2022**.

**Evaluation:** The Health and Human Sciences Research Advisory Council will review the applications.

**Recognition:** The College awardee will present at the Fall Research Day and will receive a monetary award of \$1,000.
