

# Jillian R. Hubertz

715 Clinic Drive, Lyles-Porter Hall, West Lafayette, IN 47907 | 765-494-3792 | hubertz@purdue.edu

---

## **Education:**

- 2015                      Doctor of Audiology (AuD)  
Purdue University, *West Lafayette, IN*
- 2010                      Bachelor of Science in Speech, Language, Hearing Sciences  
Minor: Linguistics  
Purdue University, *West Lafayette, IN*

## **Professional Experience:**

- 2018-Present            Clinical Assistant Professor  
Department of Speech, Language, Hearing Sciences  
Purdue University, *West Lafayette, IN*
- 2015-2018              Clinical Audiologist  
ENT Associates/The Hearing Center, *Fort Wayne, IN*
- 2017-2018              Regional Consultant, Northeast Indiana  
Indiana Early Hearing Detection and Intervention Program (EHDI)  
Indiana State Department of Health, *Indianapolis, IN*

## **Professional Credentials:**

- 2015-Present            Audiology License, State of Indiana (#23002574A)
- 2015-Present            Certificate of Clinical Competence in Audiology (CCC-A)  
*American Speech-Language-Hearing Association (ASHA)*
- 2016-Present            Indiana First Steps, Direct Service Provider

## **Awards and Honors:**

- 2022-present            Teaching for Tomorrow, Junior Faculty Fellow  
*Center for Instructional Excellence, Purdue University*
- 2021-2022              Outstanding AuD Graduate Instructor  
*Department of Speech, Language, and Hearing Sciences, Purdue University*
- 2021                      Award for Exceptional Teaching and Instructional Support during the COVID-19  
Pandemic, Team Member  
*Department of Speech, Language, and Hearing Sciences, Purdue University*
- 2018-2019              Outstanding Clinical Faculty in Audiology  
*Department of Speech, Language, and Hearing Sciences, Purdue University*
- 2019                      Audiology Early Career Professional Program  
*American Speech-Language-Hearing Association national convention*

### **Teaching Experience:**

2019-present	SLHS 56000	Audiologic Diagnostics
2019-present	SLHS	Guest lectures for courses with topics in audiology
2021	SLHS 59000	Directed Study of Special Problems

### **Clinical Education Experience:**

2021-Present	SLHS/HHS	AuD Collaborator, Purdue Interprofessional Education Series (PIPEline)
2021-Present	SLHS	Preschool Amplification Interprofessional Collaboration (PAIC)
2018- Present	SLHS 57900	Clinical Practicum in Audiology
2019- Present	SLHS 49000	Independent Study: Audiology Clinic
2019-2021	SLHS/HHS	Facilitator, Team Education Advancing Collaboration in Healthcare!
2015-2018		Provided clinical education to 3rd and 4th year AuD students

### **Memberships in Professional Societies:**

2015-Present	American Speech, Language, Hearing Association, Member
2019-Present	Special Interest Group 11: Administration and Supervision, Member
2018-Present	Special Interest Group 9: Hearing and Hearing Disorders in Childhood, Member
2015-2021	American Academy of Audiology, Fellow
2015-Present	Indiana Speech Language Hearing Association, Member

### **National Service/Engagement:**

2019-Present	Student to Empowered Professional (S.T.E.P.) Mentor
--------------	---

### **Department of Speech Language Hearing Sciences:**

2021-Present	Yield Committee
2020-Present	Au.D. Curriculum Committee
2019-Present	Evidence Based Practice (EBP) Mentor
2020	Undergraduate Student Success Committee
2020	Au.D. Admissions Committee

### **Presentations & Posters**

Casson, E., **Hubertz, J.** Van Hyfte, S. (2021). Correction Factor Methods for Threshold Estimation Using Auditory Brainstem Response (ABR) Testing. Poster presentation, *Annual Conference of the American Academy of Audiology*

Casson, E., **Hubertz, J.** Van Hyfte, S. (2021). Correction Factor Methods for Threshold Estimation Using Auditory Brainstem Response (ABR) Testing. Poster presentation, *Annual Conference of the American Auditory Society*

Bauer Malandraki, J., Gutmann, M., Huber, J., **Hubertz, J.**, Malandraki, G. A., Wetzell, D. (2020). Telehealth in Adult Populations During and Beyond Covid-19: The Purdue SLHS Perspective. Webinar, *Purdue University Department of Speech, language, & Hearing Sciences.*

**Hubertz, J., & Van Hyfte, S., (2020).** Functional Listening Evaluations: Answering Questions for the Clinical Audiologist. Webinar, *Audiology Online*.

**Hubertz, J. (2019).** *Advocating for Audiology in the ENT Setting*. Poster session at the American Speech Language Hearing Association National Conference, Orlando, FL.

Krishnan, L., Simpson, J.M., **Hubertz, J., (2019).** *Why Perform Real Ear Verification? Grand Rounds – Hearing Aids*. Invited webinar for Audiology Online.

**Hubertz, J. (2017).** *Importance of Hearing Aid Verification*. Presentation at annual audiologist/physician meeting for ENT Associates/The Hearing Center, Fort Wayne, IN.

**Hubertz, J. (2015).** *Pediatric Audiology*. Presentation at annual audiologist/physician meeting for ENT Associates/The Hearing Center, Fort Wayne, IN.

**Hubertz, J., Krishnan, A.R., Alexander, J. (2014).** *Effects of frequency compression on the neural encoding of complex sounds in the human brainstem*. Invited presentation at the student panel podium for the Indiana Speech Language Hearing Association Spring Conference, Indianapolis, IN.

**Hubertz, J., Krishnan, A.R., Alexander, J. (2014)** *Effects of frequency compression on the neural encoding of complex sounds in the human brainstem*. Poster session at the Academy of Research in Otolaryngology Midwinter Meeting, San Diego, CA.

### **Research Experience**

2019-Present IRB Protocol-2019-197: Auditory Brainstem Response in Infants: An Early Indicator for Risk of Autism Spectrum Disorder?

PI: **Jillian Hubertz, Au.D.** Co-investigators: Christi Masters, M.S., SLP; Lata Krishnan, Ph.D.

2012-2014 Graduate Research Assistant

Auditory Electrophysiology Lab, Director: A. Ravi Krishnan, Ph.D., Purdue University, *West Lafayette, IN*

2012-2014 AuD Capstone Project

Effects of frequency compression on the neural encoding of complex sounds in the human brainstem

Committee: A. Ravi Krishnan, Ph.D., Joshua Alexander, Ph.D., Keith Kleunder, Ph.D.
