

**CURRICULUM VITA
DONALD R. LYNAM, PH.D.**

Purdue University
Department of Psychological Sciences
703 Third Street
West Lafayette, IN 47907-2081

Website: <https://www.donaldlynam.com/>

ORCID ID: <https://orcid.org/0000-0001-8306-498X>

Telephone: (765)496-9025

FAX: (765)496-2670

E-mail: dlynam@purdue.edu

EDUCATION AND TRAINING

University of Wisconsin-Madison, Madison, Wisconsin
Major: Clinical Psychology
Minor: Statistics and Sociology
Degree: Ph.D. 1995

Cornell University, Ithaca, New York
Majors: Psychology and Philosophy
Degree: B.A. with honors 1989

PROFESSIONAL POSITIONS

Professor, Department of Psychological Sciences, Purdue University 2006-present

Professor, Department of Psychology, University of Kentucky 2005-2006

Associate Professor, Department of Psychology, University of Kentucky 2000-2005

Assistant Professor, Department of Psychology, University of Kentucky 1995-2000

Clinical Child Psychology Intern, Department of Psychiatry and Behavioral Sciences, University of Louisville School of Medicine. 1994-1995

AWARDS AND HONORS

Distinguished Professor from Purdue University 2016-present

College of Health and Human Sciences Research Achievement Award 2013

Association for Psychological Science Fellow 2009-present

American Psychological Association Award for Distinguished Scientific Early Career Contribution to Psychology	2002
Award for Excellence in Research, American MENSA Education and Research Foundation	1997

PROFESSIONAL AFFILIATIONS

American Psychological Association
 Association for Psychological Science
 International Society for Research in Child and Adolescent Psychopathology
 Society for Research in Child Development
 Society for Research in Psychopathology
 Society for the Scientific Study of Psychopathy
 National Consortium for Violence Research

REVIEW ACTIVITIES

Associate Editor: <i>Journal of Abnormal Psychology</i>	2002-2005
Associate Editor: <i>Psychological Science</i>	2006-2009
Associate Editor: <i>Journal of Personality</i>	2014-present

Editorial Board:

<i>Journal of Abnormal Psychology</i>	1998-present
<i>Journal of Abnormal Child Psychology</i>	2000-2010
<i>Journal of Research in Personality</i>	2002-present
<i>Development & Psychopathology</i>	2004-2009
<i>Journal of Personality</i>	2010-2014
<i>Journal of Criminal Justice</i>	2010-present
<i>Journal of Personality Disorders</i>	2012-present

Ad hoc reviewer: *Aggressive Behavior, American Journal of Psychiatry, American Psychologist, Assessment, Biological Psychiatry, British Journal of Psychiatry, British Journal of Psychology, Child Development, Clinical Psychology Review, Criminal Justice and Behavior, Criminology, Developmental Psychology, Drug and Alcohol Dependence, International Journal of Forensic Mental Health, JAMA Psychiatry, Journal of Child Psychology and Psychiatry, Journal of Clinical Child Psychology, Journal of Consulting and Clinical Psychology, Journal of Personality, Journal of Personality Disorders, Journal of Personality and Social Psychology, Journal of Psychopathology and Behavioral Assessment, Journal of Quantitative Criminology, Journal of Research in Crime and Delinquency, Journal of Research on Adolescence, Justice Quarterly, Law and Human Behavior, Neuropsychiatry, PeerJ, Personality and Individual Differences, Personality and Mental Health, Personality and Social Psychology Bulletin, Personality and Social Psychology Review, PLOS ONE, Psychological Assessment, Psychological Bulletin, Psychological Science, Psychology of Addictive Behaviors, Science, Suicide and Life-Threatening Behavior.*

National Panel Review Activities:

- Society for Research in Adolescence conference submission reviewer (1999 meeting)
- Society for Research in Child Development conference submission reviewer (2001, 2003)

Advisor for Disorders Usually First Diagnosed During Infancy, Childhood or Adolescence
 DSM-IV Text Revision Work Group
 Center for Disease Control special emphasis review panel for the Establishment of the
 National Academic Centers of Excellence on Youth Violence
 United Kingdom Department of Health--National Programme on Forensic Mental Health
 Research and Development reviewer
 National Institute of Drug Abuse special emphasis review panel for The Impact of Child
 Psychopathology and Childhood Interventions on Subsequent Drug Abuse
 National Science Foundation *ad hoc* reviewer
 National Institutes of Health special emphasis panel for Adolescent Brain Cognitive Development
 (ZRG1 PSE (51))

INTRAMURAL FUNDING

Research Assistant Support (\$1,000) from the University of Kentucky College of Arts & Sciences.	1996
Summer Faculty Research Fellowship (\$4,000) from University of Kentucky College of Arts & Sciences.	1996
Petite Research Grant (\$1,903) from the Center on Drug and Alcohol Abuse: Impulsivity and its Relation to Substance Use.	1996
University of Kentucky Research Committee Grant (\$4,000): Survey of Adolescent Problems and Strengths.	1997
University of Kentucky Research Committee Grant (\$3,600): Teacher Reports of Childhood Psychopathy.	1999

EXTRAMURAL FUNDING

Principal Investigator. National Center for Responsible Gaming. Personality traits, affective context, and pathological gambling: An experience sampling Approach (Direct Costs: \$142,000)	2/15/15-2/14/17
Co-Investigator (A. Smith and C. Weber-Fox, PI) National Institute On Deafness and Other Communication Disorders: Physiological Correlates Of Stuttering (Direct Costs: \$2,482,122)	3/1/13-2/28/18
Principal Investigator for Project 3 in National Institutes on Drug Abuse Center for Drug Abuse Research Translation (M. Bardo, Center PI): Examining Urgency from Neurobiology to Prevention (Direct Costs for Project 3: \$1,200,000)	9/1/12-8/31/17

Co-Principal Investigator for Project 3 in National Institutes on Drug Abuse Center for Drug Abuse Research Translation (M. Bardo, Center PI): Mediating Processes in the Personality Substance Use Relation (Direct Costs for Project 3: \$1,250,000) 9/1/07-8/31/12

Co-Investigator for Project 4 in National Institutes on Drug Abuse Center for Drug Abuse Research Translation (M. Bardo, Center PI; R. Zimmerman, Project 4 P.I.): Improving Effective Design and Targeting of Substance Abuse Prevention Messages (Direct Costs for Project 4: \$1,250,000) 9/1/07-8/31/12

Co-Investigator (M. Fillmore, PI) National Institutes on Drug Abuse: Neurocognitive consequences of adolescent drug use (Direct costs: \$650,000) 9/1/05-8/31/08

Principal Investigator for Project 3 in National Institutes on Drug Abuse Center for Drug Abuse Research Translation (M. Bardo, PI): Sensation Seeking and Interventions: Filling the Gaps (Direct Costs for Project 3: \$375,000) 9/1/03-8/31/06

Principal Investigator National Institute of Mental Health: Adult Antisocial Outcomes of Psychopathic Children (Direct costs: \$714,225) 9/1/00-8/31/05

Co-Investigator (E. Lorch, P.I.) National Institute on Mental Health: Attention and Comprehension of Television in ADHD (Direct costs: \$723,162) 10/1/00-9/31/05

Co-Principal Investigator (Zimmerman, P.I.) National Institute of Drug Abuse: Information Processing and Individual Differences in Risky Sexual Decision Making (Direct costs: \$270,000) 7/1/99-6/31/02

Co-Investigator (Osgood, P.I.) National Consortium on Violence Research grant: Heterotypic Continuity in Violence (Direct costs: \$46,087) 8/1/98-7/31/99

Principal Investigator National Consortium on Violence Research grant: Specialization in Violence (Direct costs: \$21,604) 1/1/98-12/31/98

Co-Investigator (Leukefeld, P.I.) National Institute of Drug Abuse: Drug Use Patterns of Pre-Teens into Early Adulthood (Direct costs: \$381,529) 9/1/95-8/31/98

INVITED PRESENTATIONS

1. The Event History Approach in the Context of Longitudinal Research: An Illustration Using the Lexington Longitudinal Study. International Society for Research in Adolescent and Child Psychopathology, Paris, France, 1997.
2. The early identification of the future psychopathic offender. University of North Carolina-Greensboro, March, 1999.

3. Two ways to early identification of the chronic offender. Vanderbilt University, December, 1999.
4. Early identification of the chronic offender: Previous research, predictive accuracy, and potential intervention approaches. Presented to Consortium on Children, Families, and the Law study group on youth with disabilities in the juvenile justice system, April, 2000.
5. The four personality pathways to impulsive behavior and their relations to deviance: Results from three samples. Presented to National Consortium for Violence Research working group on decision making, impulsivity, and violence. Pittsburgh, PA, February 2003.
6. Personality disorders from a general model of personality functioning: Psychopathy and Five Factor Model. Annual meeting of the Midwestern Psychological Association. Chicago, IL, May 2003.
7. The development of psychopathy from childhood to young adulthood. Presented at Developmental and Neuroscience Perspectives on Psychopathy. University of Wisconsin-Madison, July 2003.
8. Four personality pathways to impulsive behavior: Implications for substance use/misuse. Center for Drug Abuse Research Translation (CDART) research forum. University of Kentucky, September, 2004
9. Development and Psychopathy. Northwestern University, November, 2004.
10. Psychopathy and the Five Factor Model. Northwestern University, November, 2004.
11. Juvenile Psychopathy: The Second Research Wave. SUNY-Buffalo, November, 2005.
12. Juvenile Psychopathy: Addressing the Critics. Purdue University, February 2006.
13. Answering Critical Questions About Child and Adolescent Psychopathy. Indiana University, November, 2006.
14. Psychopathy and the Five Factor Model of Personality. Annual meeting of the Midwestern Psychological Association. Chicago, IL, May 2007.
15. The Validity and Utility of Juvenile Psychopathy. Division of Child & Adolescent Psychiatry at Columbia University/New York State Psychiatric Institute Grand Rounds, October, 2008.
16. Assessing Psychopathic Traits Using a General Model of Personality Functioning. Workshop presented at the 41st Banff International Conference on Behavioural Science: Psychopathic Traits in Youth. Banff, Canada, March, 2009.
17. Psychopathy Across the Lifecourse. Keynote presentation at 32nd Annual Convention of the Behavioral Sciences. University of Georgia, March, 2009.
18. Interpersonal Antagonism as the Core Feature of Psychopathy. University of North Carolina-Greensboro. April, 2010.
19. Negative urgency: A risk factor for alcohol problems. Workshop presented at the Kentucky School of Alcohol and Other Drug Studies. Northern Kentucky University, July 2012.

20. Antagonism is the Core Personality Feature of Psychopathy. University of Illinois—Champaign-Urbana, October, 2012.
21. Interpersonal Antagonism as the Core Feature of Psychopathy. European Conference on Personality. Lausanne, Switzerland, July 2014.
22. Negative Urgency: From Behavior to Biology. Ohio University, March 2015.
23. The Five Factor Model: Bridging the Basic Science of Personality and the Applied Field of Personality Disorders. Society for Personality Assessment, Chicago, March 2016.
24. Maladaptive variants of the Five Factor Model: Development of an integrated inventory. Second World Conference on Personality (Meeting of World Association for Personality Psychology), Buzios, Brazil, March 2016.
25. The UPPS-P: An Integrative Model of Impulsogenic Traits. Annual meeting of the Association for Psychological Science, Chicago, May 2016.
26. Deconstructing the Personality Disorders Using the Basic Elements of Personality: A Five Factor Model Approach. Nineteenth Annual Conference on Contemporary Applications of Psychological Testing, Boston, November 2016.
27. Preregistration to the Rescue: A Strong Weapon Against the Replication Crisis. University of Georgia, June 2019.
28. A Trio of Problems with the Dark Triad. University of Illinois, February 2020.
