

Observation Opportunities in SLHS MD Steer Speech and Language Clinic

Undergraduate students interested in observing in the Speech and Language Clinic may sign up for available slots. Interested students should review the list of clinical programs <https://hhs.purdue.edu/about-hhs/community-resources/clinics/speech-language-and-hearing-clinics/> to identify the program of interest and ensure they have met the prerequisites identified below. Students should also consult with their academic advisor before signing up for observation hours.

Prerequisite for student observations include the following:

- Completion of HIPAA Training <https://www.purdue.edu/legalcounsel/HIPAA/Training.html>
- Have an electronic copy of the required documents ready to submit through Qualtrics (HIPAA training)

If you have completed the prerequisite and are interested in observing in our clinic, please do the following:

- In order to view and sign up for available observation slots you must upload your documentation here: https://purdue.ca1.qualtrics.com/jfe/form/SV_a9K3TpO4xJn8MTQ
- Contact the supervising Speech-Language Pathologist/Clinical Faculty and copy Melissa Taylor at taylo913@purdue.edu at least two weeks prior to your scheduled observation date to let them know you have signed up to observe in their clinic and to be granted access to the observation system.

If you have questions or difficulty signing up, please contact Melissa Taylor at taylo913@purdue.edu .

Volunteer Opportunities in SLHS MD Steer Speech and Language Clinic

Undergraduate students interested in volunteer opportunities in the Speech and Language Clinic may sign up to for available slots.
