RESPONSES TO FACULTY CONCERNS

INFORMATION TECHNOLOGY

- Local Administrative Privileges – must be restricted per university policy, “Make me Admin” is a tool we can use on a case-by-case approval basis
- Operating system updates – needed to keep networks secure, have a “Reboot suppressed option” for research machines
- SPSS and STATA licenses are controlled by vendors – HHS cannot control the limitations on licenses or timeframes on updates
- VisTech1 onsite visits – available via a Bookings appointment, hhs.purdue.edu/faculty-staff/it/
- For help, contact hhs-help@purdue.edu, for repeated requests not being answered or long delays, contact Anita Tuttle (anita@purdue.edu) or Chris Bentley (bentleyc@purdue.edu).

RESPONSES TO FACULTY CONCERNS

BUSINESS OFFICE

- Though the Business Office works remotely, they are expected to be present virtually. Try calling them on Microsoft Teams!
- The Business Office team is working on improving communication: avoiding long email strings, using phone calls or Teams to gather information, trying to find ways to accomplish goals, elevating issues to their leadership when more help is needed.
- HHS Unit Heads establish requirements for approvals of purchases for their units; HHS and Business Office leadership are working with Unit Heads to make sure their approval requirements are consistent with their strategic goals.

HHS RESEARCH REGISTRY

HHS Spring Faculty Meeting

April 14, 2023

AJ Schwichtenberg

Dean's Fellow, College of Health and Human Sciences

Associate Professor, Human Development and Family Science

Amanda Warmbold

Lead Administrative Assistant

What is the HHS Research Registry?

The Research Registry is a resource that simultaneously elevates our college's visibility, facilitates positive relationships between researchers and participants, and accelerates research in our strategic mission areas.

It will include a list of individuals, families and community partners who wish to be contacted about research opportunities.

Not a regulatory requirement
Not a data repository (at this time)

Part 1 (per individual)

- Less than five minutes to complete
- Registry disclosure and agreement
- Contact details
- Demographic details
- Language preference
- Tobacco use
- Medical issues
- Research interests

Parts 2, 3, 4

- Study-dependent

Draft Feedback

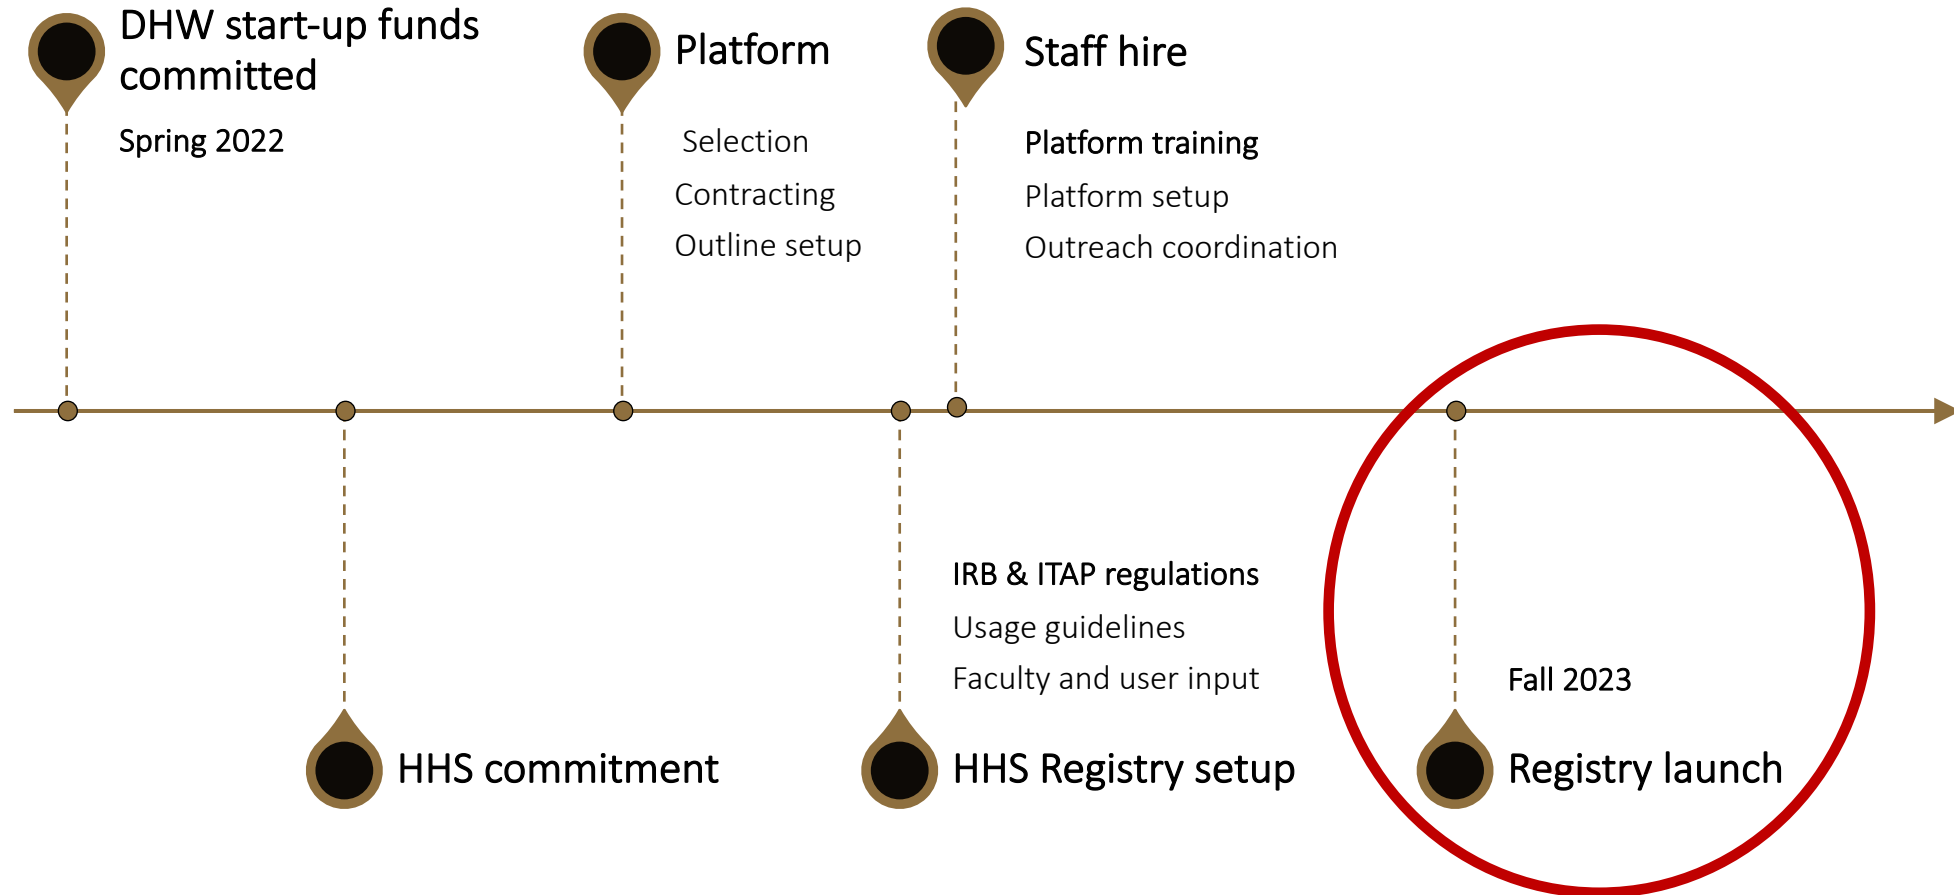

Feedback secured and ongoing

- Faculty
- Staff
- Students
- Community stakeholders/recruitment locations
- Interested early adaptors/users

Feedback targeted for this term

- Campus Cultural Centers
- LGBTQ+ Center
- HHS DEI Committee
- Ideas or others, please let us know!

What's Next?

Contact Us

- Interested in helping with the soft launch this Spring/Summer?
- Want us to target a population for you?
- Looking to incorporate the registry into your IRB?
- Have ideas about making the registry better?

We would love to hear from you:
