ONLINE MASTER OF SCIENCE IN HOSPITALITY AND TOURISM MANAGEMENT

#1

BEST ONLINE MASTER'S IN HOSPITALITY MANAGEMENT

UNIVERSITY HQ, 2023

If anyone is going to own the word 'innovation' in a hospitality and tourism context, who else but Purdue University? Part of our vision is to provide our students with all of the tools that help them be 'experience engineers,' that help them to amplify that human element and rid themselves of things that automation or technology can help them do.

Dr. Ceridwyn King

Purdue University - White Lodging-J.W. Marriott, Jr. School of Hospitality and Tourism Management Head

ADVANCE YOUR HOSPITALITY CAREER

Designed for hospitality and tourism managers, Purdue University's online Master of Science in Hospitality and Tourism Management (HTM) will position you to work as an executive manager, transfer to the corporate side of hospitality, or work within a complex, full-service hotel and tourism establishment.

The project-orientated curriculum focuses on the business side of HTM. You will have the opportunity to learn with other HTM professionals, apply new knowledge immediately to your current career, and establish yourself as a leader in the industry.

A CAREER-FOCUSED CURRICULUM

The HTM industry has its own set of values and challenges. Faculty ensure you possess the latest information to develop your leadership style and teach you how to think critically about business analytics, finance, marketing, and human resource management.

BY GRADUATION YOU WILL BE ABLE TO:

- » Lead your organization through continual changes with advanced management and leadership skills
- » Increase your competitiveness with cutting-edge skills in human resources, operations management, and marketing and finance
- » Focus on the real challenges of HTM with advanced critical thinking and problem-solving techniques
- » Drive business decisions through data analysis
- » Learn from leading researchers in hospitality management and gain real-world experience from experienced HTM managers
