## Students enrolled at end of reporting period

(Oct 15)

| Year | # MS | # PhD | # Certificates |
|------|------|-------|----------------|
| 2024 | 10   | 15    |                |
| 2025 | 5    | 18    | 3              |
| 2026 |      |       |                |
| 2027 |      |       |                |
| 2028 |      |       |                |
| 2029 |      |       |                |

### **Admissions 2012-2017**

| Year | # Applicants | # Offers | # Accept |
|------|--------------|----------|----------|
| 2012 | 39           | 18       | 9        |
| 2013 | 47           | 20       | 8        |
| 2014 | 59           | 19       | 6        |
| 2015 | 56           | 20       | 3        |
| 2016 | 40           | 27       | 11       |
| 2017 | 53           | 18       | 15 (1)*  |

<sup>\*</sup>Values in parentheses indicate Certificate program applicants and graduates.

#### **Admissions 2018-2025**

### Master of Science (MS)

| Year   | # Applicants    | # Offers    | # Accept  |                       |
|--------|-----------------|-------------|-----------|-----------------------|
| 2018   | 15              | 12          | 4         |                       |
| 2019   | 17              | 11          | 4         |                       |
| 2020   | 21              | 10          | 4         |                       |
| 2021   | 16              | 10          | 5         |                       |
| 2022   | 16              | 11          | 4         |                       |
| 2023   | 23              | 16          | 5         |                       |
| 2024   | 36              | 17          | 6         |                       |
| 2025   | <mark>58</mark> | 14          | 2         | ???                   |
| 2025UD |                 | 18 (8M/10F) | 3 (2M/1F) | Micklich, Mullin, Dar |

#### Doctor of Philosophy (PhD)

| Year | # Applicants | # Offers | # Accept |
|------|--------------|----------|----------|
| 2018 | 26           | 4        | 2        |
| 2019 | 20           | 4        | 2        |
| 2020 | 40           | 8        | 3        |
